Subject: Ontario Together: help fight Coronavirus - Call for Research Proposals

Dear researchers,

On March 21st the Government of Ontario launched “Ontario Together”, an online portal to facilitate coordination in the fight against COVID-19. As of today, the Portal will also be accepting applications from Ontario research institutions seeking to access funding to support the development of near-term solutions, tools and resources to combat COVID-19 related issues.

Ontario Together website: <https://www.ontario.ca/page/how-your-organization-can-help-fight-coronavirus>

Researchers will be required to provide a proposal summary that includes:

- an explanation of the proposed idea, product or service
- information about how the proposal will help fight COVID-19 in Ontario
- references to relevant examples from Ontario or other jurisdictions (if applicable)
- potential risks

If you are interested in applying for this funding opportunity, please complete and submit the proposal template to Margaret.Kinyanjui@uhnresearch.ca.
