

Initial Appointment

S3 Scientist Review (year 3)

Not approved - case by case

Request an interview with the candidate

Not renewed - will be given a working extension term not to exceed 1 year that will allow them reasonable time to find alternative employment, but will not be re-reviewed

S6 Scientist Review (year 6)

Not approved - case by case

Not renewed - will be given a working extension term not to exceed 1 year that will allow them reasonable time to find alternative employment, but will not be re-reviewed

May be given up to 3 additional years to improve at the discretion of the RCO. Review process will be similar to last review. An external reviewer may be invited to attend.

Not approved - case by case

SS5 Senior Scientist Review (5 year post-SS appointment)

Not approved - case by case

An interview with the candidate may be requested by APC to help with decision and gather additional information.

Not renewed - will be given a working extension term not to exceed 1 year that will allow them reasonable time to find alternative employment, but will not be re-reviewed.

Given an extension to be re-reviewed in two years. Review process will be similar to last review but candidate will be asked to give a presentation. An external reviewer may be invited to attend.

Not approved - case by case

SS5 Reappointment every 5 years continued
